BOARD OF REGENTS AGENDA**

COMMITTEE: Academic & Student Success

ITEM: Information on the Academic Programs for the University of Houston-Sugar Land TimeGate Facility

DATE PREVIOUSLY SUBMITTED:

SUMMARY:

The University of Houston and University of Houston-Victoria plan to relocate academic programs to a new UH-Sugar Land Campus building that would be funded and constructed by TimeGate, Inc. TimeGate is a national and international leader in the digital gaming industry that is seeking to relocate their offices, including a motion-capture studio, to UH Sugar Land. The new facility would be constructed with private funds, with space leased to UH and UHV to house academic programs that directly relate to the digital gaming industry. In addition, the proposed relocation would enhance opportunities for student internships and advanced curriculum development for new programs.
