AGENDA ITEMS

1. Approval of Minutes – Item B

On motion of Regent Mosbacher, seconded by Regent Ray and by a unanimous vote, the following minutes from the meeting listed below was approved:

- August 10, 2010, Academic and Student Success Committee Meeting

2. Approval of Appointment of Dean, College of Natural Sciences & Mathematics – University of Houston, Item C – A&SS-1

Dr. John Antel, Senior Vice Chancellor for Academic Affairs and Provost requested the committee approve and ratify the appointment of Mark A. Smith as Dean, University of Houston College of Natural Sciences & Mathematics, pursuant to Board Policy 57.10. The effective date of Dr. Smith's appointment is January 1, 2011.

On motion of Regent Mosbacher, seconded by Regent Ray and by a unanimous vote of the committee members in attendance (Regent Monty was not present when this vote was taken),

the approval of Dr. Mark A. Smith as Dean of the UH College of Natural Sciences & Mathematics was approved. His appointment becomes effective January 1, 2011.

3. Approval of Masters of Education in Adult and Higher Education at the University of Houston-Victoria, Item D – A&SS-2

Dr. John Antel introduced this item. The University of Houston-Victoria proposed the establishment of a Masters of Education in Adult and Higher Education and addresses the need to educate the large number of adult learners enrolling in formal, informal, community, and institutional education programs. The increase in adult learners has created a need for skills, insights and knowledge of the field of adult and higher education. The Texas Workforce Commission anticipates that there will be 6,060 new post-secondary faculty and administration openings per year through the year 2016, with an additional 275 new adult education positions per year through the year 2016.

The program would draw on existing faculty within the School of Education and Human Development. Faculty members would also be drawn from UHV and other local higher education administrators to teach specialized courses. In addition to the already existing full time faculty member, an additional full-time faculty member will be hired after the program is approved.

On motion of Regent Mosbacher, seconded by Regent Ray and by a unanimous vote, the approval of the Masters of Education in Adult and Higher Education at the University of Houston-Victoria was approved.

4. Approval is requested for the transfer of the University of Houston Department of Health and Human Performance from the UH College of Education to the UH College of Liberal Arts and Social Sciences - University of Houston, Item E – A&SS-3

Dr. Antel requested approval for the transfer of the University of Houston Department of Health and Human Performance from the UH College of Education to the UH College of Liberal Arts and Social Sciences. This action would facilitate the development of academic and research partnerships between Health and Human Performance and health-related programs in the College of Liberal Arts and Social Sciences. This move supports the University of Houston's goal of enhancing institutional excellence in the health sciences. Board approval is required before the University of Houston can secure approval from the Texas Higher Education Coordinating Board (THECB).

On motion of Regent Mosbacher, seconded by Regent Monty and by a unanimous vote, the request for the transfer of the University of Houston Department of Health and Human Performance from the UH College of Education to the UH College of Liberal Arts and Social Sciences was approved.

Regent Blair then called for a motion to have these three action items placed on the Consent Docket. On motion of Regent Monty, seconded by Regent Mosbacher and by a unanimous vote,

the following items will be placed on the Consent Docket and presented at the Board of Regents meeting on November 17, 2010 for final Board approval.

- (a) Approval of Appointment of Dean, College of Natural Sciences & Mathematics – University of Houston;
- (b) Approval of Masters of Education in Adult and Higher Education at the University of Houston-Victoria; and
- (c) Approval is requested for the transfer of the University of Houston Department of Health and Human Performance from the UH College of Education to the UH College of Liberal Arts and Social Sciences - University of Houston

Regent Blair continued with the meeting and announced that the remaining items presented were for information only and required no committee action. Regent Blair introduced William Staples, President of the University of Houston-Clear Lake, who introduced the next item on the agenda.
