BOARD OF REGENTS MEETING

August 18, 2009

The Chair of the Board, Welcome W. Wilson, Sr., convened the meeting of The University of Houston System Board of Regents in the Athletics/Alumni Center, Melcher Board Room 100B, University of Houston, on Tuesday, August 18, 2009, with the following members present: Lynden B. Rose, Vice Chair, Nelda Luce Blair, Dennis D. Golden, O.D., Kristen Lindley, Jacob M. Monty, Carroll Robertson Ray, Calvin W. Stephens, and Jim P. Wise. Regent Mica Mosbacher was unable to attend. Noting the presence of a quorum, Chairman Wilson called the meeting to order at 8:32 a.m.

*****

The following action items were presented to the Board requiring final approval:

Action Items:

Regent Golden moved board approval of the minutes from the following meetings:

- December 12, 2008, Academic and Student Success Committee Meeting
- December 16, 2008, Board of Regents Meeting
- February 6, 2009, Academic and Student Success Committee Meeting
- February 6, 2009, Facilities, Cons. & Master Planning Committee Meeting
- February 6, 2009, Special Called Board of Regents Meeting
- February 10, 2009, Audit and Compliance Committee Meeting
- February 13, 2009, Endowment Management Committee Meeting
- February 17, 2009, Board of Regents Meeting
- April 14, 2009, Audit and Compliance Committee Meeting
- April 14, 2009, Finance and Administration Committee Meeting
- April 15, 2009, Academic and Student Success Committee Meeting
- April 15, 2009, Facilities, Cons. & Master Planning Committee Meeting
- April 15, 2009, Endowment Management Committee Meeting

Chairman Wilson stated a correction had been made to the February 6, 2009, Special Called Board of Regents Meeting. The correction in bold stated: ***"After much discussion by the Board it was determined that although the proposal to change the name was approved, the change of the name of the University of Houston-Downtown to University of South Texas was declined. The selection of a specific new name was deferred until a later meeting and the matter was referred back to*** Chancellor Khator and President Castillo for further review, with the request that branding experts might be hired to recommend and properly vet an alternate name. Chancellor Khator noted the request and will continue the process." This correction was noted in the February 6, 2009 minutes and approved.

Regent Wise seconded the motion to approve the minutes submitted as presented, which passed unanimously.

Chairman Wilson announced the next item on the agenda, Item D, Update from the UH Faculty Senate President, Dr. Dan Wells, on faculty initiatives to improve student success – University of Houston. Below is a brief overview of his presentation:

- Thanked the outgoing regents for their service to the UH System and the community; and Chairman Wilson for attending their last meeting and introducing Mayor Bill White.
- Outlined the new faculty-lead student initiative program that had been initiated this semester that demonstrate faculty dedication to the University of Houston and their willingness to go over and beyond their normal duties. This new program, called PALS, is the brain child of Professor Simon Bott, in the Chemistry Department. The goal of PALS is to ease the transition of new students to the University of Houston and encourage retention and success of our freshmen class. For this effort Dr. Bott, with the help of the Faculty Senate and others, have assembled approximately 400 volunteers, mostly faculty, to mentor 2,500 incoming students as their PAL or personal access liaison. Each PAL is assigned 5-10 students to take under their wing for the first year. They make calls, send emails, sometimes meet with the student, they encourage good study habits, remind them of upcoming events, sporting events, deadlines that are approaching that they need to pay attention to, etc. Basically, this is a point-person they may contact at the University of Houston should they have a question or have a problem.

This item was for information only and required no action by the board.

The next action item presented to the Board for approval was Item E, List of Committee/ Board meetings scheduled in November 2009 for Board of Regents approval – UH System. The list of dates submitted for consideration and approval were for the November 2009 Committee/Board meetings only. The remainder of the FY2010 Board calendar will be submitted to the Board for final approval at the November Board meeting.

Regent Ray moved Board approval of the item as presented. Regent Stephens seconded the motion, which passed unanimously.

The next action item for approval was Item F, Board of Regents Planner – UH System. Approval was requested of the revised Board of Regents Planner for FY2010 which sets forth items that require action by the Board or reports from management to address the provisions of the Statutes, Board Policies and Bylaws or other requests of the Board and is presented to the Board each August. The only changes made to the planner since it was approved last year can be attributed to Board policy addition of 57.01.4 which requests each member of the Board of Regents submit a Conflict of Interest Certification Statement annually. The Board of Regents Office is responsible for assuring the items are presented to the Board at the appropriate meetings.

Regent Wise moved Board approval of the item as presented. Regent Ray seconded the motion, which passed unanimously.

FINANCE AND ADMINISTRATION COMMITTEE MEETING REPORT

Chairman Wilson reported that the Finance and Administration Committee met on Tuesday, August 11, 2009 and approved the following items. Chairman Wilson turned the meeting over to Dr. Carlucci, who gave the board to discuss the first item which was an overview of the FY2010 budget as it was presented to the committee.

1. Approval is requested for the University of Houston System FY2010 Plan and Budget – UH System

   Dr. Carlucci gave an Executive Summary of the FY2010 Plan and Budget for the Board's consideration. His discussion included not only a statement of how we are spending new money but also how we are spending our base. Below are a few bullet points from his presentation.

   - The majority of our funds are provided by state appropriations between the state and the HEAF, approximately 27%;
   - Tuition and fees are approximately one-third of our budget;
   - The total budget is $1.30 billion which was a 4% increase from the 2009 budget;
   - Approximately half of our spending goes to Student Access and Success, 53%;
   - Details for each campus were outlined in the Executive Summary.
   - FY2010 Budget priorities for the UH System are: (1) Maintain a balanced budget; (2) Appropriate use of revenue, recurring vs. non-recurring revenues, restricted and unrestricted revenue; (3) Focus expenditures on BOR priorities; (4) Continue to invest in the growth and retention of faculty and staff; and (5) Continue to invest in and maintain campus infrastructure, physical and electronic.

   A complete copy of Dr. Carlucci's Executive Summary was filed in the Board office.

Regent Stephens moved Board approval of this item as presented. Regent Monty seconded the motion, which passed unanimously.

The remaining items approved by the committee and requiring board approval today were addressed. Chairman Wilson called for a vote after each item was introduced.

2. Approval is requested to delegate authority to the Chancellor to negotiate and execute the on-site staffing contract with CORESTAFF Services for the University of Houston, University of Houston-Clear Lake, University of Houston-Downtown, and University of Houston-Victoria – UH System

Regent Wise moved Board approval of this item as presented. Regent Golden seconded the motion, which passed unanimously.

CHANCELLOR'S REPORT

Below are brief remarks from Dr. Khator's Chancellor Report:

- UH System's achievements at the 81st Legislature Session was very successful. Our elected representatives created a pathway that will help the University of Houston attain Tier One status (through TRIP and NRUF), but they also supported higher education with increases in the formula funding, which rose considerably system-wide.
- UH System Fundraising was addressed. We have secured $65.3 million in cash; and by the end of FY2008, the UH System had secured $66.9 million.
- Highlight of fundraising was the $8 million anonymous gift; $7 million of this was put forward as a match for Tier One Scholarship matching program and $3.7 million has been raised thus far as a match.
- UH System Enrollment was system-wide: University of Houston had an increase of 1,481 or 4.5 percent; UH-Clear Lake had an increase of 34 or 0.5 percent; UH-Downtown had an increase of 486 or 4.5 percent; and UH-Victoria had an increase of 247 or 8.0 percent.
- Research at the University of Houston was addressed. The acquisition of the University Business Park property, marking the birth of the UH Energy Research Park.
- The Department of Psychology has been ranked number 5 in the country from the National Science Foundation. This ranking is based on FY07 expenditures and at nearly $15.95 million, this is another building block toward Tier One.
- As we celebrate the 40th anniversary of man's first landing on the moon, starting in the fall, UH will offer a master's of human space exploration sciences, a one-of-a-kind program in collaboration with NASA for students who aspire to work in the space industry. This will be available through the Department of Health and Human Performance.
- Topic of the "big rocks" was addressed and Dr. Khator stated Dr. John Antel had identified two individuals as point persons for UH Health and UH Arts. Dr.

Kathryn Peek, Assistant Vice President, Office of University Health Initiatives, and Karen Farber, Special Assistant to the Provost and Community Liaison, UH Arts.

- UH Arts – thanks to Margaret Alkek Williams, Continental Airlines, Moores Society donors, and others, we sent the UH Concert Chorale and its conductor, Betsy Cook Weber, to this summer's Llangollen Festival in Wales, one of the most prestigious choir competitions in the world. The chorale came home with many awards, including First Place in Chamber Choir Competition, and Second and Third Places in Solo Competition. This group was the only U.S. choir to perform at the festival's Peace Concert.
- She introduced Mack Rhoades as the new Athletic Director.
- Case Keenam is nationally on the watch list and we are mentioned in both the ESPN and USA Today polls.
- At the UH-Clear Lake campus the groundbreaking was held for the university's Pearland Campus. This facility will consist of 30,000 s.f. of which 20,000 s.f. will be used by UHCL and 10,000 s.f. used as the headquarters by the Pearland Economic Development Council.
- NASA's Johnson Space Center and UHCL put their strong partnership in writing through the signing of a Space Act Agreement with UHCL.
- UHCL also hotes "Fly Me to the Moon: A Community Celebration of the First Lunar Landing" to commemorate the 40th anniversary of the Apollo 11 voyage to the Moon.
- UH-Downtown appointed their new President, Dr. William V. Flores. Dr. Flores comes to us from New Mexico, where he served as deputy secretary of the New Mexico higher education department and interim president and former provost of New Mexico State University.
- The THECB had approved the Bachelor of Business Administration degree in Insurance and Risk Management at UHD to begin in the fall 2009 semester.
- At UH-Victoria on August 6, Dr. Khator was honored at the ceremonial signing by Governor Rick Perry of the bill making the university a four-year institution which will begin admitting freshmen and sophomores in the fall of 2010.
- Beginning with the freshmen class for UHV, students will be able to obtain their bachelor's degree in three years through a "Degree in Three" program at a projected savings of $12,000 for the first 150 freshmen who enroll. This is the first such program to be offered at a Texas public university.

Dr. Khator's complete presentation was filed in the Board office.
