

UNIVERSITY OF HOUSTON SYSTEM
ADMINISTRATIVE MEMORANDUM

SECTION: Fiscal Affairs

NUMBER: 03.B.02

AREA: Purchasing

SUBJECT: Contracting with Historically Underutilized Businesses (HUBs)

1. PURPOSE

The University of Houston System supports and encourages historically underutilized businesses (HUBs). The programs, policies, and procedures described in this administrative memorandum apply to all purchases and procurement for goods and services for the System and its component universities.

2. DEFINITIONS

For the purposes of this policy, a “historically underutilized business” is a for-profit corporation, sole proprietorship, partnership, or joint venture, with a principal place of business in this state, in which at least 51 percent is owned, controlled, operated, and actively managed by one or more persons who have been economically disadvantaged because of their membership in a certain group, including African Americans, Hispanic Americans, American women, Asian Pacific Americans, Native Americans and/or Service-Disabled Veterans (see [Texas Government Code, Section 2161.001](#)).

3. ADMINISTRATION

- 3.1. The Senior Vice Chancellor for Administration and Finance or his designee shall have overall responsibility for the planning, coordination, implementation, and enforcement of the policy and may develop rules and guidelines necessary for its implementation, including the integration of the policy into the purchasing and procurement processes of each component university.
- 3.2. Each component university’s purchasing office will appoint an employee (HUB coordinator) to carry out the provisions of this policy at the component university level. A component university with a biennial budget more than \$10 million must appoint a HUB coordinator who is equal to the position of the component university’s procurement director (procurement director may serve in this capacity). Coordinators shall:
 - a. coordinate training programs to recruit HUBs (see [Texas Government Code, Section 2161.062\(e\)](#)).
 - b. report required information to the State Comptroller of Public Accounts (CPA) (see [Texas Government Code, Section 2161.062\(e\)](#)).

- c. match HUBs with key staff within their agency (see [Texas Government Code, Section 2161.062\(e\)](#)).
- d. make a good faith effort to increase the award of goods and services contracts to HUBs in accordance with the adopted rules implemented as a result of the Disparity Study (see [Texas Government Code, Section 2161.181](#)).
- e. implement a HUB program as set forth by legislation and the rules promulgated by the CPA (see [Texas Government Code, Section 2161](#) and [Texas Administrative Code, Chapter 20, Subchapter B](#)).

3.3. The Office of the Senior Vice Chancellor for Administration and Finance will provide component universities with support, as needed, to implement the HUB program as set forth by legislation and the rules promulgated by the CPA.

4. THE PURCHASING PROCESS

4.1. The Purchasing Department of each component university shall actively assist HUBs in learning how to conduct business with the System.

4.2. Each component university shall attempt to increase the participation of HUBs in the purchasing process by selecting bids or proposals submitted by such businesses whenever those bids or proposals are comparable to other bids or proposals received, and whenever such a selection does not conflict with state or federal law.

4.3. When authorized by law, the component universities shall minimize the amount of any performance bond required with contracts when contracting with HUBs.

5. ASSESSMENT

The System Office of Finance will assist each component university HUB coordinator to ensure that a correct and accurate HUB report is prepared for submission to the CPA when required. Each component university shall report semi-annually, following the publication of the CPA's semi-annual HUB reports, to the Senior Vice Chancellor for Administration and Finance on HUB-related activities.
