RE: Week 14 – 83rd Legislature

DATE: April 12, 2013

It has been a busy week for higher education at the Capitol. On Wednesday, Dr. Carl Carlucci testified before the Senate Higher Education Committee on Chairman Kel Seliger's (R-Amarillo) bill to remove the Coordinating Board's (CB) authority to approve construction contracts. The bill was reported from committee. Senator Seliger also passed SB 15, which redefines the authority of governing boards.

On Thursday, the full Senate passed the CB Sunset Bill (SB 215), which authorizes the agency for another twelve years. Several amendments were placed on the bill limiting the CB's scope including one to remove their authority to close low performing programs and several to require them to employ a negotiated rulemaking process.

Also on Thursday, Chancellor Renu Khator, President Bill Staples, President Bill Flores and President Phil Castille testified before the Senate Finance Committee on SB 16, the tuition revenue bond bill. The following projects are included in the bill and debt service is appropriated in the Senate version of the appropriations bill.

UH	Construct Pharmacy/Biomed Bldg.	\$70,000,000
UHCL	Construct Science/Academic Bldg.	\$75,600,000
UHD	Construct Science/Technology Bldg.	\$41,429,000
UHV	Construct Campus Expansion	\$70,000,000

SB 1165 by Senator Glenn Hegar (R-Katy), which expands the legal use of the Sugarland property, passed the full Senate on the consent calendar Thursday.

One of the many bills to allow concealed handguns on college campuses passed out of House committee on Thursday. Representative Allen Fletcher's HB 972 was amended to allow universities to opt out of the bill. Additionally, handguns would not be allowed at hospitals or public charter schools located on college campuses.

Courtesy of Rissa Potter, the following summary of the higher education committees this week:
Senate Higher Education, April 10, 2013

- Passed Unanimous LC CS SB 27 Zaffirini Relating to eligibility for a Texas B-on-Time loan. Senator Zaffirini said this is the only state-funded program that provides an incentive for timely graduation. The bill modifies the program to ensure its long-term viability by removing community college students. The CS substitutes Sunset language addressing THECB so there is no conflict with that bill.
- Passed (Birdwell against) SB 301 Zaffirini | et al. Relating to the authority of the Texas Higher Education Coordinating Board to issue to a foreign postsecondary institution a certificate of authority to grant professional degrees. Senator Duncan noted his concern is there are not enough slots for Texas-invested students in Texas. The Finance Committee made a commitment

to retain medical students in Texas. This is not the time in Texas to be crowding out slots for students we have invested significantly in with training. Senator Zaffirini asked about the opportunities for Texas students studying outside of the country to return for residencies (they are welcome to apply). Senator Zaffirini is concerned with the floodgate potential, particularly from Mexico, and expressed appreciation to THECB for not taking action and instead allowing the legislature to become involved.

- Passed (Birdwell against) CS SB 496 Seliger | et al. Relating to the authority of the Texas Higher Education Coordinating Board to review and approve capital projects and purchases of real property at public institutions of higher education in this state. The CS moves approval authority to each institution's Board of Regents from THECB. CS states this does not impact the data currently coordinated by THECB. Senator West referred to the process of Regent review and asked if there is a policy role for THECB in statewide facility consideration. Senator Birdwell wants to trust Regents but also is interested in not duplicating the problem with tuition deregulation.
- Passed Unanimous LC CS SB 1741 Zaffirini Relating to training requirements applicable to members of the governing board of a public institution of higher education. Senator Zaffirini explained the CS clarifies the short course required is initial training required before a governing board member can vote on an item. It creates a process for THECB to receive and respond to complaints; the requirement that 1/3 of the governing board members have higher education experience has been removed. (pending bill, no testimony)

House Higher Education, April 10, 2013

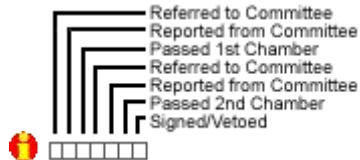

- Pending HB 830 Fletcher Relating to the portion of designated tuition set aside to provide student financial assistance at institutions of higher education. Rep. Fletcher explained the bill's relationship to funding Hazlewood as a part of the 20% tuition set aside. The Hazlewood shift would mean other forms of aid would be lessened.
- Pending HB 1004 Gonzales, Larry Relating to an electronic system adopted and maintained by public institutions of higher education to employ a person to track the academic progress of military veterans or their family members receiving student financial assistance. Rep. Gonzales said the caption reflects the intent of the bill.
- Pending CS HB 2555 Patrick, Diane Relating to tuition and fee exemptions for certain military personnel and their dependents. Rep. Patrick said the purpose is not to eliminate or reduce the Hazlewood benefit, but to preserve the exemption. First, there is a grandfather clause for current Hazlewood recipients. The CS proposes the maximum of 150 SCH remain, with 15 SCH be used only for graduate/post-graduate work (135 SCH available for undergraduate courses). The CS requires an applicant to submit evidence of exemption within 30 days of the current semester to process the exemption (current law allows up to one year). Requires a Hazlewood recipient to have a 2.5 GPA by the end of the second year, without penalty for deployment (similar to TEXAS Grants criteria). Finally, there is a provision for graduate/professional men and women who have been deployed to be readmitted to the program and be allowed to use the previously admitted test scores for admission. Several veterans testified against the bill and against any changes to the Hazlewood Act.
- Pending CS HB 2755 Branch Relating to authorizing participation in state-funded student financial assistance programs by certain students of Western Governors University Texas or similar online nonprofit universities. Chair Branch explained traditional financial aid is not available for these non-traditional students.
- Pending HB 2765 Branch Relating to the creation of the Texas competitive knowledge fund to support excellence at qualifying institutions of higher education. Chair Branch said this would codify eligibility requirements, this is a clarifying bill of current practice.
