Colorful Transformation Portals

Materials:
- Craft paper or card stock
- Pen or pencil
- Invisible tape
- Scissors
- Sandwich bags—with waterproof seals
- Cereal bowl or a circular object, 5 inches across
- Glycerin & craft paint OR water, cooking oil & food coloring

Step 01
- Center bag on right side of paper
- Leave a ½ inch border on all sides but the left
- Mark edges of bag as a guide
- Use straightedge to complete border on left side
- Cut that section off to make a square

Step 02
- Use circular object to trace the viewing portal in center of paper
- Cut out your portal

Step 03
Create your color transformations

Cool Combinations:
- Food coloring, water & oil
- Paint & glycerin
- Glitter & dish soap

Step 04
- Securely seal bag and place it in the center of your portal
- Use invisible tape to secure it onto craft paper
- Fold over each side of the craft paper to create a shallow box or border
- Tape down all the edges to ensure bag is secure

Step 05
Flip over and make sure there are no leaks or loose edges
